- MuleSoft Certified Developer: API Design associate, Integration and API associate.
- Exposure to additional technologies with Interest – JavaScript, HTML5, CSS3, Data Science, Machine Learning, R, Python, NoSQL.
- A part of nWave: Leveraging Machine Learning in IPM projects delivery.

Technical Proficiency:

Technology	Java, Middleware, Machine Learning
Programming Languages	C,C++,Java(Core+Advanced), R, Python
Databases	MySQL, Oracle, Salesforce, MongoDB
Middleware Technologies	Mule ESB ,Software AG webMethods, IBM Websphere MQ
IDEs	Mulesoft-Anypoint Studio, Anaconda-Spyder, Software AG Designer, SoapUI, Eclipse, R Studio
Web Technologies	JavaScript, HTML5, CSS3, XML, JSON, Web Services(RESTful , SOAP), ActiveMQ JMS, RAML, Cloudhub
Hardware / Platforms	Windows 98/XP/2000/7, Unix.

Certifications:

MuleSoft	MuleSoft Certified Developer - Integration and API Associate
MuleSoft	MuleSoft Certified Developer – API Design Associate
Udemy.com	Introduction to the Data Science, R

Academic Profile:

B.E – Instrumentation and Control Engineering	7.6 CGPA
HSE	St. Joseph's College of Engineering, Chennai 93.75%(State Board)
SSE	Vetri Vikas Higher Secondary School, Namakkal 9.0 CGPA (CBSE) Aditya Birla Public School, Ariyalur

Out-Of-Box Skills:

Film making	Directed 2 Short films with different ideas.
Editing	Edited Short films, Symposium videos and various creative videos
Volunteer	Active volunteer of "Aazraya" organization and Cognizant Outreach
Github Profile	github.com/gunalan-s , github.com/bizzy-ideas

Project Experience:

Project #2

<i>Title</i>	Infrastructure Integration
<i>Organisation</i>	Cognizant Technology Solutions
<i>Tools</i>	IBM Websphere MQ/MB, Putty
<i>Period</i>	May 2017-Present

Objective

To provide Infrastructure Integration for a Retail client using IBM Websphere MQ/MB.

Project #1

<i>Title</i>	MuleSoft Integration
<i>Organisation</i>	Cognizant Technology Solutions
<i>Tools</i>	Anypoint Studio, Oracle SQL, Salesforce, API designer, Active MQ
<i>Period</i>	March 2017-April 2017

Objective

To build a REST API which will invoke Salesforce and Oracle DB to fetch data and place the merged data into Queue using ActiveMQ and consume the message in order to store it in folder dynamically.

Personal Profile:

DOB	12th January 1995
Father's Name	Mr. K.Sambandamoorthy (late)
Mother's Name	Mrs. S.Silambuchelvi
Address	A 42, Rajiv Nagar, Ariyalur.
Languages Known	English, Tamil and Hindi

I hereby assure that all information furnished above are true to my conscience.
